A third-year Informatics student passionate about Web Development, UI/UX, and Cybersecurity. Active in projects and student organizations, she has built strong teamwork, leadership, and communication skills. Detail-oriented and eager to learn, she looks forward to growing through hands-on tech industry experiences.

Education Level

Universitas Atma Jaya Yogyakarta - Yogyakarta, Indonesia
Bachelor of Informatics, 3.46/4.00

Aug 2022 - Aug 2026 (Expected)

Work Experiences

UAJY's Partnership and Promotion Office - Yogyakarta, Indonesia

Mar 2024 - Jan 2025

Student Staff

- Assisted international students at Universitas Atma Jaya Yogyakarta with residence permits, allowances, and events (rundowns, MC, on-site support).
- Managed partnership documents (MoU, MoA, IA) on SiKePo and tracked expiry dates.
- Supported office leadership in meetings with external partners, including embassies and university representatives.

Organisational Experience

Himpunan Mahasiswa Informatika (HIMAFORKA) - Yogyakarta, Indonesia

Sep 2022 - Sep 2024

Member of Human Resource Division

HIMAFORKA is the student organization under the Informatics Program at Universitas Atma Jaya Yogyakarta. It serves as a platform for student aspirations, information sharing, and communication.

- Planning and executing Sharing Alumni Series 1: "UI/UX 101: Turning Ideas Into Design" featuring UI/UX Lead from PT. Krafthaus Indonesia.
- Led an Internship sharing session hosted by Berijalan at Universitas Atma Jaya Yogyakarta.

INFORMATICS FESTIVAL (IFEST) - Yogyakarta, Indonesia

Jan 2023 - Jun 2024

Member of Event Division

Informatics Festival (IFEST) is an annual event organized by HIMAFORKA. Consists of competitions for high school and university students, as well as a national seminar.

- Helped organize IFEST (Informatics Festival) #11, particularly the IFEST Store, which focused on selling merchandise, food, and beverages. I was responsible for contacting vendors and handling agreements.
- Supported the planning and execution of IFEST #12 by contributing to several events, including I2C, WDC, MUC, and a national seminar.

Inisiasi FTI UAJY 2023 - Yogyakarta, Indonesia

Jun 2023 - Aug 2023

Member of Event Division

Inisiasi FTI UAJY is an annual event organized by the Faculty of Industrial Technology at UAJY to welcome and introduce new students to campus life.

- Took on the role of Master of Ceremony, leading the event, engaging the audience, and ensuring a smooth flow between each agenda item.
- Be a guide for the team's game session, providing instructions and supporting participants throughout the activity.
- Contributed to the overall coordination of the event, making sure that each segment followed the planned rundown and everything ran on schedule.
